

**FORDHAM**  
Graduate School  
of Social Service

Visiting Scholar Lecture

# *Surrounded by Madness: Mental illness and the effects on family*

## **Rachel Pruchno, PhD**

Professor of Medicine, Rowan University's School of Osteopathic Medicine  
Director of Research, New Jersey Institute for Successful Aging

**"What was the likelihood my adopted daughter would  
have my father's hazel eyes and my mother's mental illness?"**

**Dr. Pruchno will lead a discussion about the prevalence and types of mental illness; highlight problems experienced by families of people with serious mental illness; and discuss what can be done, in practice and policy, to make life better for people with serious mental illness and their families.**

**May 25, 2017**

**12:00- 2:00 pm**

(Lunch will be available starting at 11:30 am)

Lincoln Center Campus  
113 West 60th Street  
McMahon 109  
**2 CEHs awarded**

Registration is **free**, but space is limited. RSVP at:
